EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel claims 6-8, which are directed to the non-elected invention without traverse.

2. The following is an examiner's statement of reasons for allowance: None of the prior art disclose or suggest the claimed spring connector for an electronic equipment comprising an insulative case having a space formed therein; conductive films formed on an inner surface of the case, on an outer surface of the case, so as to electrically connect the inner surface and the outer surface of the case; a coil spring provided in the space of the case; a plunger made of metal and axially slidably mounted in the space, and having a space therein in which a part of the coil spring is inserted so that the plunger is outwardly urged by the coil spring; and a lid member attached to the case and having an opening through which the plunger is projected.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Khiem Nguyen whose telephone number is 571 272-2096. The examiner can normally be reached on Mon-Fri.
